## An Act of Loving Kindness

J.N. is a 7 year-old sweet boy from Connecticut who on November 12th was diagnosed with a rare form of leukemia and who has been air-flighted to CHOP.

In need of lodging starting early February for about six months will be his parents, 3-year-old sister, nanny or grandmother. Two bedrooms will be needed and ideally not too many stairs, for at times J.N. may be an out-patient.

**Please contact us if you or anyone you know may be able to offer them lodging, for about a month at any time, over the next six months:**
