## Help Us Help More Patient-families

Our mission is to ensure that no patient is denied access to top quality healthcare due to housing needs of the patient or family members.

Our Gala will help raise funds to aid our housing network growth while honoring the Greater Philadelphia medical community.

There are hundreds of patients and family members annually who would benefit from having low-cost lodging & caring support available as they travel to Greater Philadelphia to receive specialized medical care. By growing our Host-homes and Private Housing networks, **HOSTS for HOSPITALS** has the unique ability to address this critical need. By your sponsorship and support of our Gala, together we will create an incredibly impactful community effort to help those in urgent need.

### Honoring

***The Children's Hospital of Philadelphia  
Center for Fetal Diagnosis and Treatment***

The Center for Fetal Diagnosis and Treatment (CFDT) provides complete care for women carrying babies with known birth defects, from diagnosis and prenatal management through fetal surgery, to delivery and care after birth. Their experts, including world leaders in fetal therapy and maternal-fetal medicine specialists, work together to provide the best possible care for mother and baby. This team is among the most experienced in the world in treating complex birth defects.
