HOSTS for HOSPITALS

*Partnerships across Greater Philadelphia
to help house Patient-families*

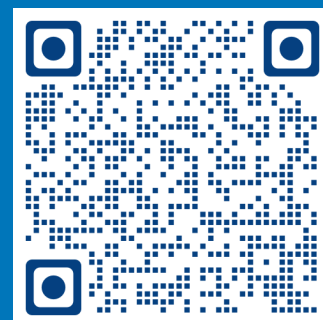

Many patient-families traveling to Greater Philadelphia hospitals for specialized medical care are especially ***in need of minimal stair lodging.***

17 year-old Ali Chan from Pakistan has undergone multiple surgeries at the Shriners Hospital.

He uses a mechanical wheelchair.

View this heart-warming video of Ali and his mother's experience being welcomed into their Host-home and *Learn More* about how you or someone you know may offer patient-family lodging at any time, for any length of time.
